WORK EXPERIENCE

MBR Esports, Tangerang, Player (09/2021 - 04/2022)

In this job I learned a lot of analytical skills to analyze enemy strategies, create unique strategies that can increase the percentage of wins, make hard decisions that help bring victory to the team, and always maintain good communication with every person in teams to build great team dynamics.

Echo Esports, Jakarta, Player (02/2021 - 07/2021)

In this job, my role is captain. I used to manage my team, help the team to make hard decisions for my team, build great team dynamics, encourage the team if they're discouraged, and remind the team not to be satisfied with the results.

Suki.tiedye, Bogor, Owner, (08/2020-(01/2021)

This is the shop I made during the pandemic. I learned a lot about marketing, how to make reasonable prices, manage supply, follow trends, make promotional videos, and make ads on Facebook, Shopee, and Instagram. I sell over 1500 products.

Alvin Reyvaldo
